Join renowned international Vocal Coach Leontine Hass for an inspirational and fun vocal workshop designed to help you make the most of your singing talent.

#### The workshop will cover

- Preparing yourself vocally for auditions and the industry
- Sorting out the technical vocal challenges in songs
- How to connect authentically to text
- How to choose material which shows off the best of your voice
- How to look out for piano accompaniments and arrangements which work in auditions
- How to discover your best 'tessitura'
- Pitfalls and things to avoid
- How to present yourself in an audition
- How to research repertoire successfully
- How to plan a structured practice routine
- Voice qualities such as belt, head voice and speech quality and how to access and practice them.
